Letter No. 2154, dated the 2nd August 1912, from the Director of Telegraphs, Madras Circle, to the Resident in Mysore, Bangalore.

With reference to the correspondence ending with your letter No. 3502, dated the 18th of June 1912, I have the honour to inform you that a guarantee of Rs. 240 per annum, subject to revision when the actual cost is known, for a minimum period of 5 years and for such longer period, as may be considered necessary thereafter by me, is required for the proposed loop of the Telegraph lines to French Rocks with an office at French Rocks. In other words, the guarantors would have to make good annually to the Government -- Telegraph Department, the difference between one half of the -- Indian Government share of the receipts (if less than Rs.480/-) on account of messages booked at the Combined Office at French Rocks and Rs. 240/- payment on the guarantee owing to losses on a year's work being reduced to the extent of any credit to Government which may have accrued on the working of the previous years.

If the inhabitants of French Rocks agree to the terms mentioned above they should obtain, as is usual in such cases, the -- acceptance of the Mysore Durbar to the financial responsibility for the guarantee, and when this acceptance is communicated to this office by you, accompanied by a copy of the Mysore Durbar's letter, the sanction of the Government of India to the opening of the Combined office will be applied for by the Director General of Posts and Telegraphs.
